

2020 Rules Change Highlights

- Spinnaker changes will be based on Area
- Main Sail changes will be based on Area
- Genoa Adjustment Tables A & B range 155% - 118% changed from 12 to 9 sec

Reasons for the Changes

- Continuation of the site modernization
- Keeping PHRFNB relevant and compatible with other rule systems
- Making PHRFNB more attractive to boats outfitted with Cruising Spinnakers
- Genoa adjustment at 12 sec did not appear to function across a broad range

Benefits of the Changes

- Easier decision making for sail decisions across rating systems
- Cruising spinnakers / undersized spinnakers will now be adjusted accurately
 - Owners purchasing second hand sails have more options
 - Higher end programs have more options in new sail decisions
